March 5, 2014

Rhode Island Housing announces that Laura Dauphinais, a realtor with Century 21 GonsalvesPastore Realty in Cumberland, has been named its "Realtor of the Quarter" for helping the most homebuyers, with affordable FirstHome mortgages.

This is the third time Dauphinais, a native of Pawtucket who now resides in Lincoln, has been saluted for her efforts to connect home buyers with the Rhode Island Housing Loan Center. Since joining Century 21 Gonsalves-Pastore Realty with her husband in 1999, Dauphinais has been among the top salespeople. She said, "I take the time to listen to my clients' needs and desires, to help them find their dream home. When I work with the Loan Center, I know that the staff will take that same time to ensure that my clients end up with the right loan for them. I want the home buying experience to be an enjoyable one and the Loan Center helps make that happen."

In addition to loans for firsttime home buyers, Rhode Island Housing offers loans for those looking to refinance or simply move into a new home. For more information, contact the Rhode Island Housing Loan Center at 401-243-0000.
